ABOUT ME

Enthusiastic UI/UX Designer skilled in designing mobile and web interfaces using Figma Experienced in user research, wireframing, prototyping , and designing systems. I enjoy turning user pain points into simple and visually appealing solutions and am eager to learn, grow, and contribute in a collaborative tea

PROJECTS

Hobby Hive | Social Hobby Discovery App

- Conducted user research on hobby discovery, community connection, and long-term user engagement behavior.
- Created personas, journey maps, and interaction flows to define user needs and friction points.
- Designed end-to-end mobile app screens for hobby discovery, profiles, community interaction, and engagement flows.
- Built wireframes, high-fidelity UI screens, and interactive prototypes in Figma
- Applied typography, spacing, hierarchy, and accessibility basics to improve usability and overall experience.
